Open Enrollment

We will accept all open enrollment applicants if there is sufficient capacity. If there is insufficient capacity, we will select applicants from the submitted applications for enrollment in a school in accordance with a random selection process except where policy may indicate otherwise. After May 25 we will select pupils for enrollment from the waiting list in the order in which the pupils were placed on the waiting list through the random selection process, or as otherwise provided by policy. Please [see our open enrollment flyer](#) for additional information on our registration page.
