

Dear Altar Valley Families,

Project AZUL is the rural outreach mobile program of the Sahuarita Food Bank & Community Resource Center. We coordinate a wide range of programs and services for rural Pima County and Southern Arizona. Our 46-foot mobile classroom and computer lab bring these services directly to your community.

We offer programs and resource fairs focusing on workforce development, health and nutrition, and family support. We also adapt our offerings based on the local and emerging needs of community members.

To better serve the Three Points area, we are conducting a survey to understand which services and programs are most needed. Your input is greatly appreciated.

Please use the links below to complete this brief survey:
